Ussi tareeke se aaj jo bhi rakshas mere sanatan dharm par mere hindutva pr agar khatra ban ke mandrayega ya ayega toh mai kuch bhi nahi sochungi bhale hi mujhe Godse ki tarah kalankit kyu na kar do magar mai shatra uthaungi aur apne sanatan dharm aur hindutva ko bachaungi.

Crowd cheers, "Har Har Mahadev."

Mere paas chaku ki aukaat hai toh mai chaku lungi. Mere paas talwaar ki aukat hai toh talwaar ke roop me rakhungi. Mai kuch na kuch rakhungi shastra lekin dhyaan rkhe matra shakti ke do haanth hi ek sher ke panje ki tarah barabar hai toh chinta mat kijiye agar mere paas shatra nahi bhi hai aukaat nahi hai aaj lakh rupaye ka shastra rakhne ki, aap sab samaj se keh rhi hun chinta na kare mere panje hi sherni ki tarah hai, phaad ke rakh denge.

Bus woh himmat jagani hai. Mat samjho kamzor apne aap ko. Aap apne aap me hi ek shera ho. This is the alarming situation. This is the alarm. Yeh Dharam Sansad nahi hai, yeh jaagrukta hai aur mat socho, thik hai yeh badh rhe hai lekin aaj bhi agar hum kabiz ho gaye aur aaj bhi agar humne yeh than liya, alakh jaga li, inki bhavnao ko samajh liya, inke tyaag ko agar humne samajh liya toh jo hum chahte hai vo hazir hoga aur islamic bharat nahi, yeh Sanatan Mandate Hindu rastra bahut jaldi ghosit hoga.

Maharaj ji mai vachan deti hun, mere praan bhi chale jaaye toh koi chinta ki baat nahi hai lekin 2029 me musalmaan pradhan matri aaplog sablog nahi bnne denge aise vachan vadhta do apne aap ko itna shaksham banao itni apni abaadi ko aage badhaye aur marr de. Inki jaan janshankhya ko agar khatam krna hai toh hum marne ko tayyar hai Jail bhi jaane ko tayyar hai.

Agar hum 100 log bhi sainik bann gaye aur inke 20 lakh bhi marr diya humne toh hum vijayi hai hum jail me jaane ko tayyar hai aisa jazba jab lekr ke aoge tabhi sanatan ko bacha paoge aur dhyaan rkhna. Iss bharat mata ki, iss sanatan dharm ki raksha ko sainik hi banna padega. Copy kitabo ko rakh do aur haanth me shastra utha lo aur bus. Jo dharam sansad me sabse badi baat yeh hai ki hum vichar kya de rhe hai hum kar kya sakte hai sujhao, toh jisme mai apne sujhao deti hun \*unclear\* samarpit krti hun \*end\*

Similarly if today any demon hovers over my sanatan dharm (religion) or my Hindutva (ideology) as a danger or comes here, I won't think even if you tarnish me like Godse. I will take up the weapon and save my Sanatan Dharma (religion) and Hindutva (ideology).

Crowd chants, "Har Har Mahadev."

If I can afford a knief, I will buy a knife. If I can afford a sword, I will keep it in that form. I will keep some weapon of one sort or another. But remember, the power of a mother's hands is equal to a paw of a Lioness. So don't worry, if I can't afford a weapon of lakh rupees, I'm telling you all, don't worry, my claws are like a Lioness, will tear (them) apart.

We only need courage. Don't think of yourself as 'weak'. You are a Lion. This is the alarming situation. This is the alarm. This is not Dharma Sansad, this is awareness. Don't think much. It's okay Muslims are growing. But if we take over even today and if we determine, we wake up, we understand their intentions, if we understand their feelings then we will get what we want and there won't be 'Islamic India', with Sanatan Mandate this will soon be declared as Hindu Rashtra.

Maharaj Ji, I promise, even if I die it's not a worry. But, you all promise that in 2029 you won't let a Muslim become the Prime Minister. Make yourself efficient, increase your population and kill them (Muslims). If we want to end their (Muslims) population, we are ready to kill them (Muslims) and ready to go to jail.

If a hundred of us become soldiers and even kill their (Muslims) 20 lakh (people), we are winners, we are ready to be jailed. If you come with such a passion (of killing), only then you'll be able to save Sanatan (Religion) and remember, for the security of Bharat Mata (Nation) and Sanatan Dharma (Religion), you'll have to become soldiers. Leave pen and paper, and take up the weapons in your hands.

40 crore ki economy hai vo 40 crore aadmiyon ki.. tum 100 crore ho aur tumhare yaha bacche nahi hai. Aarthik taqat ab unke paas chali gayi.. hindu sangathan ab update nahi huwe.. jo baat mai 9-10 saal ki umar me sun rha tha aaj budha ho gaya tab bhi aarthik bahishkaar ki baatein chal rhi thi, aaj bhi wohi bat chal rhi hai..

Tum update kab hoge? Aur talwaro ki baat bhul jao. Talwar kewal mancho pr dikhane ke kaam aani hai.. Ladayi me jeetta woh hai jiske hathiyar satro se jyad takatwar hote hai.

Unki baaton me baccho fass mat jaana. Jyada se jyada bacche aur ache se ache hathiyaar, yahi tumhe bachane wale hai. Hum kewal saath khade hai.. aur vo bhi kitne din koi nahi jaanta.. harr aadmi ko apni ladayi khud ladni hai.. harr admi ko apni aaurtein, apne bacche, apna ghar khud bachana hai.. isiliye kisi bhi waqt harr waqta se anurodh hai apni raay pure zor se rakhe.. lekin ek bhi vyakti ko iss munch pr shastra ki avasyakta ko kamzor karne ki zarurat nahi hai. Koi bhi waqta ho..

They are 40 crore people (muslims) who have an economy of 40 crores.. You (hindus) are 100 crores and you don't have kids. The economic power is with them (muslims)... Hindu organisations haven't been updated. As a kid, I used to hear about economic boycott, I still hear them talking about the same rhetoric.

When will you update yourself? And forget about swords. Swords will only be brandished on stages...A battle is won by the ones who have more powerful weapons than their enemies.

Kids, don't get caught up in their lies. More and more kids and better weapons, only they will save you. We are just standing together...that too for how long, no one knows... Every man has to fight his own battle...every man has to protect his wife, kids, and home on his own. That's why any time, it's a request to every speaker to put their thoughts strongly..But nobody needs to weaken the requirement of weapons on this stage. No matter who the speaker is...

I apologise...I occupied the stage..but if I..my guruji, shri Baykundlal Sharma Prem Singh Sher ji..he got the offer from RSS to be made Sankaracharya (high ranked hindu priest) because he too was a preacher...Roopendra bhai is sitting here...Roopendra....Mahamandaleshwar Ji, you knew Guruji right?..Many Sankaracharya's of here would touch his feet..

Our Dr. Mahamandaleshwar Premanand ji is sitting here, ask him.. the slogan was.. Shastra Mev Jayate (Weapons shall win).. everyone will repeat after me thrice..

Sashtra Mev Jayate.. (Weapons shall win)

Yaha se chunav nivedit kr rha hun 1915 ki, halaki aaj toh hindu mahasabha bikhar gayi hai lekin 1915 ki jo hindu sabha uss kumbh me jo mang rakhi gayi vo mang aaj bhi jari hai..

Mai baar baar iss baat ko kehta hun Yati ji Maharaj kayi baar bigad jaate hai. Kyuki yeh sansad hai apni apni baato baatei rakhni ki sabko swatantra hai. Sabko swatantra hai apni baat rakhiye. Maine Maharaj ji se agrah kiya hai ki teen din baad iss manthan se jo amrit niklega vo dharma vesh hoga. Aur vo dharma vesh.. yeh jo loktantrik sarkaar jo Delhi aur Utrakhand aur Uttar Pradesh aur jagah jagah pe chal rhi hai unn sabko manya hoga.

Nahi manoge toh 1857 ka jo yudh huwa usse bhi bhayanak yudh lada jaega.

Humare paas toh koi Yati Narsinghanand ke jaisa Arjun hai Krishna ki khoj jari hai Krishna ki khoj jaari hai aur Krishna nahi milega toh Arjun hi Krishna ke roop me netritva karega.

Yeh beech beech me jo islamic khadyantra (shadyantra) hai vo chalte rahenge.. yeh light jaati rahegi.. usse gabrao mat awaaz waise bhi hum logo ki buland hai toh yaha se kahi tak chali jaegi..

From here, I request the memorandum of 1915, however the Hindu Mahasabha has fallen apart today but the demands that were raised in the Hindu Mahasabha of 1915, that are still relevant today..

I continue to repeat that matter, Yati ji gets furious. But as this is the platform to express our opinions, everyone has the freedom to do so. Everyone has the freedom, raise their opinions. I

have requested Maharaj ji (addressing Narsinghanand) whatever conclusion that will come out after the three days of this seminar, that would be religious notice. And that notice...will be acceptable to the democratic governments running in Delhi, Uttarakhand, Uttar Pradesh and other places.

If they won't accept then the battle that'll be fought, will be more horrifying than the battle of 1857.

Crowd cheers \*Har Har Mahadev"

We have Yati Narsinghanand as Arjun, now our search to find Krishna is underway and if we don't find Krishna, Arjun (Yati Narsinghanand) will lead as Krishna.

I'm saying these words in front of you because..

This Islamic conspiracy will continue to go on in between...the powercut will continue to occur..Don't be scared, our voice is already lofty so it will go too far...

Yaha hara jhanda gada jaa chuka hai Afghanistan Pakistan Bangladesh apke hanth se ho chuka hai bahar aur sesh jo hai sesh me bhi 500 pakistan bann chuke hai..

Bharat me bhi 500 pakistan hai abhi kam se kam jaha ki aap ghanti nahi baja skte.. jaha aarti puja juloos.. dharmik juloos aap nahi nikal skte.

Aur dosto huwa yeh kyu jabki bharat ka PM sansad me bolta hai ki ratriya sansadhano par sabse pehla jo haq hai vo hai \*inaudible" hai islam ke manne walo ka. Yeh humare PM sahab jb sansad me bole the aur jb maine padha tha na paper me toh huwa mann me ki kaash mai bhi sansad hota aur haanth me revolver hota aur mai Nathuram, phod dalta aur agli che ki che goliyan mai Manmohan Singh ke chaati me mai.. mai chala deta. Lekin mai toh ek aam fakir hun.

## Translation:

So, the future of Sanatan (Hinduism) in the Islamic India, is our topic and when I heard the topic, I felt like screaming, crying...but no.. There are 80% Hindus in the country and India is becoming Islamic (nation)....But friends if we look back...half of India has already become Islamic..

The Green flag has been raised.. Afghanistan, Pakistan, Bangladesh have gone out of your hands and out of the whole India which is left, almost 500 Pakistan have already been created...

India too has 500 Pakistan, give and take, where you can't ring the bells (of temples)..where you can't do aarti or worship your Gods. You can't take out religious processions..

And friends this has happened because the PM of India said in the parliament that the first right on the national resources is of \*inaudible"..of those who follow Islam (religion). When our PM sir said so in the parliament and when I read that in the newspaper next day, I felt like had I been in the parliament having a revolver in my hands, I would have been Nathuram, would have beaten him up and I would have shot all six (bullets) in the chest of Manmohan Singh...I would have shot him...But I am just a common man...

Dekho Maharaj ji, hum toh ho gaye hai budhe, aur jb humei madad ki zarurat thi tab hindu samaj ne humari madad nahi kari..

Lekin agar koi bhi yuva vyakti, hinduo ka prabhakaran bnne ko tayyar ho, toh sabse pehle usse ek crore rupaye mai dunga.

Yeh shuruwat hai. Yadi koi vyakti hindu'o ka Prabhakaran banne ki zimmedari leta ho ek crore rupaye se shuru krunga.

Aur apna jeevan agar ek saal rha toh kam se kam 100 crore rupaye ekhatte kr ke dunga.

Supreme court ke baare me mai kuch kehna nahi chahta. Lekin abhi humare yaha dharam sansad me hardyogi maharaj hai, hardyogi maharaj ne kaha tha humein Prabhakaran ki zarurat hai.

Mai kehta hun humei prabhakaran ki, bhindranwala aur general shabeg singh ki zarurat hai. Jb tk harr mandir me ek prabhakaran, ek bhindranwala, ek shabeg singh nahi hoga tab tak hindu dharam bach nahi skta. Hindu dharam ko bachane wala koi hai nahi.

I will collect one billion rupees for this cause.

I don't want to comment on the Supreme Court. In our Dharam Sansad (religious congestion), Maharaj ji said we need people like Prabhakaran.

I say we need people like Prabhakaran, Bhindrewala and Shabeg Singh. As long as there is no Prabhakaran, Bhindrewala, and Shabeg Singh in our temples, Hinduism cannot be defended. There is no one to safeguard Hinduism.

Aaye nahi hai, maharaj ji ke pram sishya hai Parvindar Arya.. vo lagatar yahi sikha rhe hai.. aur na sirf yeh sikha rhe hai balke banduke chalana bhi sikha rhe hai..

Dosto, hindu rashtra kaisa bnega isme iske alawa bhi mere paas ek vichar hai kal jab mai yaha se gaya toh maine chintan kiya ki humlogo ke abhi bhi aise kayi gaao hai jaha muslim bahut kam hai..

Toh unn gaon ke dhanadya vyaktiyon ka kartavya hai ki jaha 10-15-20-25-50 log musalmaan hai, uss gaon me unki sampatti adhik se adhik daam me kharid kr unhe gaao se bahar kar de..

Ek gaao usme vileen ho jaega..

Samvidhan ki samvaydhanik upchaaro ka sahara le aur mai dekhta hun maharaj ji kuch mere saath hai.. humare jo bandhu hai.. mai toh unhe keval bhai kehta hun.. lekin samvidhan unhe

SC aur ST kehta hai.. toh mai toh bhaiya kam se kam 10 musalmaano pr SC/ST ki jhuti dharaye lagwa kr unhe jail bhej chuka hun...

Mai ek satya keh rha hun.. agar tum kuch kr skte ho toh pareshan karo unhe.. itna paresha karo ki apna ghar bechne par majbur ho jaaye..

### **Translation:**

Parvinder Arya isn't here who is a student of Maharaj ji. He has always preached this and is also teaching to fire revolvers/weapons.

Friends, I have an idea on how can we create a Hindu Rastra. I thought about it yesterday that there are many villages (in India) where muslim population is very less in number.

So it is the duty of rich villagers (hindus), where muslims are in numbers like ten to fifty, to buy their properties by paying huge amount and give them no choice but to leave their homes.

This way, we can clean villages of muslims.

Use the constitutional process as the constitution differentiates between brothers (Dalits and upper caste) with SC/ST acts. I have used these laws to falsely accuse over ten muslims and sent them to jail.

I am telling you the truth. If you want to do something, disturb them (muslims). Disturb them so much that they have no other choice but to sell their houses.

Mai inhi baaton ko keh kr ke.. maine aapko yeh baat bhoomika me islye kahi kyuki harr baar aap idhar udhar chale jaate ho.. yeh aapko rasta apnana padega.. iski kya tayyari kr skte ho.. abhi aapke paas samay hai.. uss tayyari me lago.. tayyari pr charcha kro.. itne mere nivedan ke

It cannot be delayed any further. It is now a matter of life and death. It is a do or die situation. We are left with no choice, none.

I am telling you this. I have used an example because you divert from your path. You have to take this route. Get ready for it. Right now, you have time. Start the process, talk about it. I end my speech with this request.

Aapne kaha tha ki dharam ki raksha kaise hogi, toh mai aaj fir ussi munch se aage kahunga ki raksha bina shastro ke nahi hoti hai... Yadi raksha karni hai dharam ki, toh sabse pehle jaha pr samaapt kiya tha wahi se mudde ko uthata hun ki mobile chahe paanch hazar ka ho, sashtra ek lakh ka hona chahiye..

Jute goldstar ke pehen lo 200-250 wale, shastra ek laakh ka hona chahiye.. jeevit wahi rahta hai jo pratikaar karta hai.. jeevit wahi rehta hai.. ab hai ki shastra se raksha ho toh shastra ghar pr hona chahiye.. maine sadharan baatein kal kahi thi ki gharo me talware dhaar kr ke lagao aur koi puche toh kehna ki bhai humari devi ki puja me kaam aati hai..

Mai dussehra bhojan pr gaya, Tehri Raj Mahal me, aur Tehri Raj Mahal me jb mai pahucha dussehra puja me, toh jo petha hota hai na, jiski mithai banti hai, uski bali di gayi..

Maine kaha maharaj, unke pratinidhi the thakur bhavani singh, maine kaha maharaj ko mera sandesh dena ki ek maharaj ne kaha aaj toh bali jiski deni chahiye thi ussi ki deni chahiye thi.

Kyu.. yeh jitne bhi niyam bnaye uske jaisa ho. Sabse badi baat humein muslim bnane ke liye humare pramparao ko samapt kiya gaya.

You asked me how to defend your religion, so I am repeating from this stage again that protection without weapons is not possible.. If you wish to protect your religion, I will begin from where I ended the topic yesterday. Mobile phones worth five thousand can work but weapons should be worth one lakh rupees.

Wear goldstar shoes worth two hundred rupees, but weapons should be worth one lakh. Only those remain who resist back. Now the thing is if weapons are used to defend, they should be kept at homes. I simply said yesterday that sharpen your sword and keep it at your home and if someone asks you, tell them it is used in prayers of your Goddesses.

I went to Tehri RajMahal for Dussehra feast where Petha (sweets) were used as sacrifice. I told one representative (Thakur Bhavani Singh) to tell the Maharaj (Priest) that I said to sacrifice what was meant to be sacrificed as these rules have been made to turn us Muslims and end our culture. Today, the situation is such that kids see little blood \*ends\*
